Water & Wastewater Association**

"You are Not Alone!

Taking advantage of Networking"

9th Annual Charity Auction

Silent Auction - April 23rd & 24th

Delta Hotels Prince Edward, Charlottetown, PEI

Members of the **Maritimes Provinces Water & Wastewater Association (MPWWA)** provide water and wastewater services to our communities every day to protect the public health and the environment. This year, as part of the MPWWA annual training seminar, we are proud to hold the **9th Annual Charity Auction** in support of **BRAIN INJURY ASSOCIATION OF PRINCE EDWARD ISLAND**

BIAPEI is a non-profit organization dedicated to promoting and contributing to an environment supportive to the brain injury community, and to awareness & prevention of brain injury in PEI.

The association provides support, information, and advocacy for persons with brain injury, families & their support systems. Along with this, they promote awareness & education in the public and in public agencies of the causes and consequences of brain injury.

They are an advocate for the continuum of brain injury services such as enhanced rehabilitation programs and treatment facilities. To accomplish these goals, activities must be carried out by the association as a means of raising funds to promote the objectives of the coalition.

Please consider donating items and helping to make our 9th Annual Charity Auction a huge success in support of BIAPEI!

On behalf of the Maritime Provinces Water & Wastewater Association, "Thank You" for your support of this very valuable community charity organization!
