Dear Member:

As a member, you do your part to provide water and wastewater services to our communities every day to protect the public health and the environment. As an Association, we strive to support our communities in any way we can and this year we are proud to hold our 3rd **Annual Charity Auction** in support of the **PEI Family Violence Prevention Services Inc.**

The **PEI Family Violence Prevention Services Inc.** was founded in 1980 to: provide a place of safety for women and children who are victims of abuse; educate the public about the issues of violence against women and family violence; and advocate for the needs of abused women and children.

Examples of Services Provided: Offering *confidential support* for abused women; Housing through '*Anderson House*', the provincial emergency shelter for women and children who are in need of safety because of abuse in their lives; *Second Stage Housing* assistance following stays at Anderson House for up to one year so families can plan for a future without fear; Operating a *toll-free* phone line; Facilitation of *support group meetings* and *youth programs*.

Please consider supporting our Annual Charity Auction in one of the following ways:
