

Maritime Provinces Water and Wastewater Association

Policy #: 2011-02

Policy Title: Alumni Membership

Issue:

Membership in the MPWWA does not provide sufficient opportunity for past members to be more fully engaged in the business and activities of the Association.

Definition:

A MPWWA '**Alumni Member**' is a person who is no longer actively employed in the delivery of water and/or wastewater services and/or facility operation. The member must have:

- previously been a member in good standing of the Association for a minimum of 5 years;
- submitted a completed 'Alumni Membership' application form;
- had their application approved by the Board of Directors.

MPWWA Alumni **membership is free**. Alumni members **do not have voting privileges**. Alumni members **will receive Association newsletters**.

Recommendation:

It is recommended that the Board: approve this policy; create an Alumni Member application form; and communicate this new membership category to current and past members where possible. Alumni members will be kept informed of our activities and the Association may retain access to their knowledge, and potentially increase public awareness of our Association in their community.
