

MPWWA Seminar Sponsorship Program

Annual MPWWA Training Seminar Fredericton, NB April 12-15, 2026

The Maritime Provinces Water & Wastewater Association (MPWWA) is committed to the improved operation of water and wastewater treatment plants through the better understanding of the design, construction and management of these facilities and their associated distribution and collection systems.

Through the provision of regular "hands on" workshops and seminars, the MPWWA has enabled operators to upgrade their knowledge and has provided operators, especially those in smaller Maritime centers, the opportunity to receive important training.

The MPWWA continues to grow due to the strength of its dedicated members. It is your support and contributions that assist us in achieving our goals in this growing industry. To that end the MPWWA is offering multiple Sponsorship opportunities for your business or company to take advantage of.
